## Updated Draw for Divisions 3-6 for Thursday's Games

- The draw for Thursday's games in Divisions 3, 4 & 5 Girls & Boys and Division 6 Girls has been updated (Division 6 Boys is unchanged)
- The playing teams for each game has not changed, only the allocation of duties
- We have tried to make it as fair as possible, but during cross overs many duties need to be allocated based on the result of previous results and this will mean some teams will do more duties than others
- Please check as you may be playing and doing duty on different courts consecutively
